Other	
What has been tried already	
Who else is helping you with this problem	

## 3) TONGUE-TIE

If you suspect that your baby has a tongue-tie and it is likely we be discussing tongue function, feeding strategies and possible division, it would be useful for me to know the following: -	
Is your baby currently well? If no, please provide more details	Yes/No
Did your baby receive the Vitamin K injection or two oral doses soon after birth?	Yes/No
Has your baby bled a lot after any injections, blood tests or other procedures? If yes, please provide more details	Yes/No
<b>Does anybody in the family, including your baby, have any diagnosed blood clotting problems?</b> If yes, please provide more details	Yes/No
Has your baby been referred to anybody else for any medical reason? If yes, please provide more details	Yes/No

**Please note that once your visit is booked, if you need to cancel please inform me at least 24 hours beforehand, otherwise a cancellation charge of £20 may be required . <http://breastfeedingmatters.co.uk/prices.html>**

**Thank you. Lynn**
